STAR GUESTS

Donna Presley

Linda Thompson

MAY 27 – JUNE 5, 2023 FROM/TO TRIESTE

CRUISE ABOARD MSC SPLENDIDA
ITALY, GREECE, TURKEY

Donna Presley

Donna Kay Presley, cousin of the King grew up in Graceland and on Elvis' Circle G Ranch. She lived there until her wedding - and has lots of stories from Elvis Presley's private life. Stories that even the biggest fans have never heard.

Linda Thompson

The former Miss Tennessee from Memphis met Elvis in 1972. Elvis was immediately „on fire“ from the extremely fun-loving and witty young lady and the two became a couple. For more than five years - until 1976 - Linda was always at Elvis' side. The longtime Elvis love is accompanied by her brother, the close Elvis friend & bodyguard Sam Thompson. On the cruise, Linda - together with Louise Thompson - will talk about what was probably the most exciting, but also the most bizarre time of her life. She will resurrect a legend for the fans, as it will probably never happen again in the music world.

SAM THOMPSON

Sam was a police officer in Memphis in 1972 when he was hired by Elvis as his personal security chief. There is no photo of Elvis on tour in which Sam Thompson is not to be seen, on the right, left or behind the King. Sam worked for Elvis until his death in 1977. After that he graduated from law school and was working as a „Judge“ in Las Vegas, Nevada until his retirement in 2010.

THE EXCLUSIVE TCB FAN PACKAGE

for the real Elvis Fans

On this cruise you will experience incredible things. You will get exclusive insights into the life of the King and his companions. Feel transported back to the 70s, when the original musicians were on stage together with Elvis. During your trip through the Mediterranean Sea, one highlight follows the next: autograph sessions, meet & greet with the stars, talk shows with intimate insights,...

The highlights are certainly the two concerts with Dennis Jale and the original musicians. A combination that has been promising pure rock'n'roll for years now. With the exclusive TCB fan package you also have access to Elvisland, dance in the Elvis disco, see the best films of the King on the big screen and have the opportunity to take part in the sensational „Sing like the King Contest“. Nowhere else you are so close to Elvis - a special package put together for the true Elvis fans.

THIS CRUISE ...

... is a tribute to the greatest entertainer of all time. Musicians from the unforgettable singer's original band as well as some of his most loyal companions are on board and provide a journey through time with many insights into the King's life. A week you will never forget. Up close and personal with great artists and musicians, side by side with many of the most important people in Elvis' life. Look forward to days full of rock'n'roll!

GLEN D. HARDIN

Described by Elvis as „the wildest man in crew, is Glen Hardin, too“, he arranged many of the unforgettable singer's greatest hits. From 1970 - 1976 he was a permanent member of the TCB Band and quickly became a key figure.

PAUL LEIM

Paul Leim is a famous drummer who has worked with some of the biggest world stars and won countless music awards. He has been touring with the TCB Band since 2005, bringing the music of Elvis to life.

DENNIS JALE

Since 2003, the TCB Band has been performing together with Dennis Jale, Austria's best-known rock'n'roll entertainer. The Austrian multi-talent convinces not only as a performer, but also as a songwriter.

THE TCB BAND

For almost nine years and over 1000 concerts, the TCB Band has been on stage together with Elvis. Even then it was said, „Elvis Presley only plays together with a very special kind of musicians - the best.“ Each one of them was a legendary musician, together they were a sensation!

DONNA TUTT

Donna met the legendary Elvis drummer Ronnie Tutt in 1973 on the flight from L.A. to Hawaii. Only a few months later Ron & Donna were married and remained so for over 49 years until 2021. Donna accompanied the Elvis troop to the last concert and will tell us stories and anecdotes from her life with Ronnie & Elvis „On Tour“ up close and authentic.

GINGER HOLLADAY & DONNA RHODES

LARRY STRICKLAND

In 1974 Larry Strickland became a member of the legendary gospel group „JD Sumner & Stamps Quartet“. He accompanied Elvis on his last recordings - the Jungle Room Sessions - at Graceland and was „Live on Stage“ with Elvis until his last concert in June 1977!

1969 - American Sound Studios in Memphis, Tennessee. With them, the two very young, highly talented singers Ginger and Donna Rhodes. The rest is music history! Until 1975, the Holladay Sisters and Donna Rhodes accompanied the King in the studio and then worked with countless superstars.
